DECENT

PURE LINES. FLAWLESS  
PROPORTIONS  
PROPORTIONS. A DELICATE  
PEARL CUT.

Drinkware collection Decent, which thoughtfully references the iconic Mozart collection. "I was captivated by the elegance and delicacy of this historic set. With respect and reverence, I have distilled it into its purest contemporary form," says Moser's Creative Director, Jan Plecháč.

DESIGN BY OTTO TAUSCHEK  
FROM 1936, REBORN ANEW.

The Decent drinkware collection captivates with its exceptional breadth. Thanks to its diverse shapes and sizes, you can easily create your own arrangement to reflect your taste and unique dining style.

**THE DRINKWARE  
COLLECTION MADE FROM  
THE PUREST LEAD-FREE  
CRYSTAL IS ADORNED WITH  
A DELICATE PEARL CUT.**

Made of the purest lead-free crystal, this drinkware collection is adorned with a pearl cut. Each piece is handmade slowly, following traditional glassmaking techniques recorded in the UNESCO List of Intangible Cultural Heritage.

DECENT

THE DECENT COLLECTION  
WAS CREATED FOR BOTH  
EVERYDAY RITUALS AND  
STANDOUT MOMENTS.

Drinkware glass by Moser, the traditional Czech manufactory, has been an integral part of the most luxurious restaurants, bars, and yachts around the world for many decades. The wide-ranging Decent drinkware set complements the concept of Michelin-starred restaurants, where the masterful art of glassmaking meets premier gastronomy.

JAN PLECHÁČ

## CREATIVE DIRECTOR AND DESIGNER JAN PLECHÁČ

Renowned designer, graduate of the Academy of Arts, Architecture and Design in Prague. He became the Creative Director of Moser in 2022, assuming the position with his vision to both tie into the glassworks' historical legacy and push its aesthetic into the 21st century. Moser has seen much success under his guidance. Alongside the three wins at the Czech Grand Design Awards 2023 (Designer of the Year, Producer of the Year, and as the overall winner, i.e., the Grand Designer), the glassworks also took home the Grand Prix award – the Prize for Outstanding Contribution for its “Born of Sand” installation at Designblok 2024.

## DECENT – WINE

The Decent glasses, made of pure lead-free crystal with a delicate pearl cut, come to life thanks to the glassmakers' honest handiwork, resembling the efforts of winegrowers in their passion and respect for the trade. The glasses' exquisite design underscores the colour, aroma, and flavour of the wine. Craftsmanship, the senses, and the magical moment when wine is enjoyed to the fullest all unite as one in these glasses.
